

INGREDIENTS THAT INSPIRE CHANGE

ORGANIC, NON-GMO and FAIR TRADE SOLUTIONS

OUR MISSION:
We create connections
that nourish life

CONNECTING ORGANIC AND NATURAL BRANDS TO THE SOURCE

As the premier North American provider and innovator of certified organic, non-GMO and Fair Trade ingredients, Ciranda offers the highest-quality solutions that ensure your applications have the certifications and meaningful connections that today's consumers are seeking.

ABOUT CIRANDA

Since 1994, Ciranda has helped grow the organic industry for the benefit of consumers, farmers and communities worldwide. Ciranda has expertise in gluten-free flours and starches; syrups and sweeteners; cocoas and chocolates; coconut products; liquid and powdered lecithins; and vegetable oils. Headquartered in Hudson, Wis., Ciranda is 100% employee-owned and driven to connect brands with ingredients that inspire change.

WHY CIRANDA

- **Social Impact and Sustainable Sourcing** We work with sourcing partners who align with our values through fair working conditions, labor practices and overall environmental health.
- **Innovative Products** As a forerunner of innovation in functional carbohydrates, sweeteners and starches, we have a long history of introducing new ingredients to the industry.
- **Food Safety** Ciranda's commitment to quality includes an in-house QA and food safety team. We work with our sourcing partners to ensure they meet and exceed the requirements of food safety standards in North America.
- **Global Logistics** Our supply chain team connects customers with producers in more than 15 countries to source our ingredients.

KEY CAPABILITIES:

- Delivering exceptional customer service
- Navigating the global supply chain efficiently
- Broad ingredient portfolio comprised of high quality ingredients
- National warehouse distribution of globally sourced ingredients
- Customized ingredient development and fast documentation turnaround
- Quick-ship sample program and e-commerce ordering platform

MEMBERSHIPS

We collaborate with key organizations that share our dedication to protect people and the planet.
